* presentation available online via zoom (see next page for details)

† please bring your NW collecting records with you in written form. Dana Ross will put them into a master file and send any significant county records to Jon Shepard for inclusion in the Lepidopterists Society Season Summary (Include State, County, Location and Date and if available: range & township or Lat/Long coordinates as well as elevation.

Sunday, October 29

8:30 am Workshop session resumed: Cordley 2602 (west wing)

10:00 am* Field trip reports and other contributions. Powerpoint available. Cordley 1616

This is your opportunity to contribute a presentation on or related to Lepidoptera, e.g., field trip report, favorite slides, etc. Please notify Paul Hammond (copablepharon@gmail.com) prior to the meeting with any equipment needs. In general presentations are expected to be about 10 minutes in length, please let Paul know in advance if you will need more.

“12:00” **meeting concluded**

Researchers and workshop participants who wish to work in the collection in association with their visit, please contact Chris Marshall (Christopher.marshall@oregonstate.edu) to make arrangements. (note: the collection is not available for research during the workshop itself and the day prior).

Access via Zoom:

Access to the zoom link for the meeting will require that you log in with the email address you re-registered with. We will send out an email to the entire pre-registration list in the days prior to the meeting with the link. If you have not re-registered, please do so, and make sure you select “will attend by Zoom” in the appropriate space.

Zoom participation will be ‘seminar’ style – in that viewers will not be able to speak (they will be muted) and can only ask questions via a Q/A board which will be read to the speaker(s) only if time permits.

Cordley Hall is located in the NW portion of OSU’s Corvallis campus on SW Orchard Ave at the intersection with NW 27th St. Cordley is surrounded by parking lots that on non-game days do not require a permit. There is no home game currently scheduled.

Local Overnight Accommodations

- Roadway Inn 541 752 9601
- University Inn 541 753 4496
- Super-8 Motel 541 758 8088

Map of Cordley Hall, showing location of workshop rooms. Cordley Hall has two elevators – one in the NE corner of the building and one on the west side. The skybridge connecting Cordley Hall and ALS is on the 3rd floor, southwest corner of cordley hall. To reach ALS 4001, either use the staircase just inside ALS by the sky bridge, or continue down the hallway to the elevator.

PARKING is available on the NORTH side of Cordley Hall (east side is closed for construction).
